

FORSYTHE TEAM HERE ON SUNDAY

With a record of having lost only one game out of the last six played, the Forsythe team of New Haven comes to Norwich for a real battle with the local Kacey team at the fair grounds. The Forsythe team is all that it is reported to be and has some creditable victories to their credit. The only game lost was to South Manchester when they were beaten 4 to 1. Early in the season they played a five-inning game with the New Haven club of the Eastern League which resulted in a 1 to 1 tie. A team of this caliber should make a good showing against the local club and put up a stiff battle with the American team.

The Forsythe team is depending on Stanley to do the hurting. This boy is a former pitcher with the Virginia state league and has played with the fast Leeward team of South Norwalk for several seasons. Also, a New Haven boy of much promise will do the catching. On first base will be Cavendish, who will be remembered as a former member of the "Swedes." Another Anderson, former Pittsfield Eastern League player, will cover second base. Gordon will play on third and Raffle will be in the outfield. Both these boys were offered contracts with the New Haven club at the beginning of the season. In the outfield will be Ward, Mellich, Gillette and Duke. Kacey, who was to play with them will not be in the lineup owing to a sprained ankle which he suffered in a recent game in New Haven.

The local team will depend on the same lineup that so unmercifully whipped the American team last week. This aggregation looks better as the season progresses and should be a severe test on Sunday. A comparison can be made between Norwich and South Manchester as the Forsythe team was beaten by three runs in the game with them last week. The South Manchester team plays in the Eastern League and is expected to be the feature game of the early part of the season.

The game on Sunday will start promptly at 2:30 o'clock (daylight time) and there will be no delay such as occurred last week. The Kacey management commended the fans for their patience when the Bridgeport team was so late in arriving.

MISS RYAN REACHES SEMI-FINALS AT BRUSSELS
Brussels, May 18 (By the A. P.)—Miss Elizabeth Ryan of California today defeated Mrs. Beaumont of England in their match in the women's singles of the international hard court tennis championships. The score was 6-2, 6-2. By winning today Miss Ryan reached the semi-finals.

Tomorrow Miss Ryan will play Mme. E. Bernier, Belgian, and Miss Lengien will meet Miss Stuart of England in the semi-finals. The experts predict that Miss Ryan and Miss Lengien will win their matches and therefore will come to play in the championship round on Saturday.

In the men's singles, Mitsu of Rumania defeated Watson of Belgium, 6-4, 6-3, 4-6, 6-2, and De Gomar of Spain won from Aeschlimann of Switzerland, 6-0, 6-1, 6-2.

Mitsu showed good form in his match with Watson, but Count De Gomar played the best tennis of the tournament when he sent down Aeschlimann to defeat. Manuel Alonso, the Spaniard, is still suffering from an injury sustained Tuesday, and De Gomar is now picked by the experts as the probable winner of the singles title.

The match between Miss Ryan and Mrs. Beaumont was played under unfavorable weather conditions. A storm broke as the first set was concluded and the second set was played in the rain with the courts heavy. Miss Ryan had her chop strokes and drop shots working beautifully despite the heavy court.

SCHAEFER EASILY BEATS COCHRAN IN FINAL BLOCK
Chicago, May 18 (By the A. P.)—Young Jake Schaefer toyed with Weiker Cochran in the final block of their world's championship 155 lb. belt line billiard match tonight and retained his title by defeating the younger Pacific coast star, 1,500 to 1,333. Schaefer won tonight's block 800 to 414.

The score of tonight's block does not tell the real story of the champion's remarkable shooting in the final block. While he did not make any remarkable

high runs, his generalship in handling the ivory brought repeated applause. Schaefer apparently could have ended the match sooner, for he was master at all times, but he elected to give his audience some thrills near the end by playing seemingly impossible shots.

Once he fell down on one of these and Cochran threatened for a moment with a run of 164.

Schaefer now holds unquestioned supremacy in the billiard world, having defended his title against Willie Hoppe and Cochran, his two most formidable opponents. He does not have to play again until fall, when he meets Roger Conit, French champion.

The averages for the entire match were: Schaefer, 55.4-2; Cochran, 31.2-42.

For tonight, Schaefer, 35 10-14; Cochran, 21 11-13.

High run tonight: Cochran, 166.

High run for three nights: Schaefer, 202; Cochran, 166.

The score of the final block by innings follows:

Cochran—6 0 1-1 0 3-4 7-9 0 168 31-4 6-41.

Schaefer—94 1 10 0 31 112 24 117 8-14 20 3 21 7-200.

CORNELL HAS WORKOUT ON HOUSATONIC COURSE
Derby, Conn., May 18.—Cornell's varsity and freshman crews were on the Housatonic river this afternoon and rowed three miles in practice for the triangular regatta here Saturday. The Cornell varsity was headed as follows: Kelle, bow; F. C. Edwards, 2; Strone, 3; Lathers, 4; Heath, 5; Baker, 6; A. G. Baldwin, 7; Fillin, stroke; Nicholson, coxswain.

The Princeton crews arrived here tonight and will have two practice sessions tomorrow. The varsity is scheduled to row as follows: Fredell, bow; Marburg, 2; Morgan, 3; Lewis, 4; inclaire, 5; Woolverton, 6; Jackson, 7; Milne, stroke; Scull, coxswain.

Neither Cornell nor Princeton brought a junior varsity crew here and there will be no junior varsity race Saturday. Princeton's 150-pound crew will row late at and Harvard in a special event. Cornell, Yale and Princeton will compete in freshman and varsity races over a two-mile course.

The Princeton crews are stopping at a hotel here, while Cornell's oarsmen are at a New Haven hotel.

SYRACUSE OARSMEN READY FOR NAVY REGATTA
Annapolis, Md., May 18.—The Syracuse rowing team, consisting of the members of the varsity second and freshman crews, under James Ten Eyck, veteran coach, arrived in Annapolis this afternoon ready for the contest against corresponding crews of the Naval academy Saturday afternoon.

The visiting crews did not get on the water until after six. The sun had emerged and conditions were favorable for practice.

The naval and Syracuse varsities are two of the three unbeaten college crews of the east, Cornell being the third, so that it will be a day of significance in that sport. The Navy crews are intact and will be boated just as they have been in all of the races this year. The varsity with seven of those who were in the victorious boat at Poughkeepsie last year is in fine fettle.

COVEY DEFEATS KINSELLA IN 3 OUT OF 4 SETS
London, May 17.—(By the A. P.)—George F. Covey of England, world's professional court tennis champion, duplicated today his record of Monday when he defeated Walter A. Kinsella of New York at the Prince's Club in three out of four sets in a series of 18 sets for the title. Today's victories for Covey were by scores of 6-5, 6-4 and 6-3, while Kinsella won his set 6-2.

With eight sets played, the score in sets now stands Covey won 6; Kinsella won 2.

Kinsella shaped up better today than in Monday's games and by aggressive tactics won the third of today's four sets by brilliant service and swift shots into the corners of the court. The other three sets were keenly contested, both playing excellent tennis.

Twice during the first set the American was within one point of winning, but Covey rallied and finally won the set, 7-5 after 40 minutes of play.

In the strenuous second set, Kinsella managed to bring the score to four-all, but Covey eventually won 6-4.

Covey now has six of the 13 sets to his credit, and Kinsella won every set of Saturday's match to win the championship.

HAWAIIA DEFIES A. A. U. IN KAHANAMOKU CASE
Honolulu, T. H., May 18.—(By the A. P.)—The Hawaiian branch of the A. A. U. today threw down the gauntlet to the national body in the controversy over Duke Kahanamoku and his refusal to obey the national body's mandate to declare the Hawaiian sprint swimming champion a professional. The local organization's decision was unanimous.

The Hawaiian A. A. U. in announcing its resolve, declared that when Duke appeared in magazine advertising columns as endorsing a brand of varnish as god medicine for surf boards he did nothing to invoke the A. A. U. ban. Duke, as a swimmer, comes under A. A. U. jurisdiction, said Honolulu officials, but as a surf board rider he is indulging in the private pastime with which the A. A. U. has nothing to do.

Johnny Weissmuller, boy wonder of the Illinois Athletic Club, arrived yesterday to participate in swimming events.

LOCAL BOY STARS AS MEMBER OF PAWLING TEAM
Willis P. Austin of Norwich who is a student at Pawling School, Pawling New York, is fast making a name for himself in interscholastic circles as a member of the Pawling School track team. Austin is running in the 220 yard dash and has shown great promise as a quarter miler. In the recent meet between Pawling and Chocoma school he broke the track record for the 220 yard event and was winner of the quarter mile. His time for the event was 22 2-5 seconds. He also duplicated his time in the 220 in the meet with Norwich this week. He also placed third in the broad jump. Austin has been selected to represent Pawling in the interscholastic meet that is to be held at New Haven on Saturday.

Mr. Austin is the son of Mr. and Mrs. Willis Austin of this city.

ALL FIXED FOR RUTH TO BE IN GAME SATURDAY
It is all fixed up for Babe Ruth to break into the big time Saturday at 3:30 p. m. daylight saving time against the onrushing St. Louis Browns, with Kenneth Williams in the van. Judge Landis will be roused out of bed Saturday morning by the telephone applications of Babe and Bob Meusel for reinstatement and the High Commissioner will wire back his judicial approval in plenty of time for the Bohemian of Bush and his fellow axle to take their threatening stands at the plate.
